# NON-STAINING COLORANTS

## SANOLIN® LAVE LIQUID

**Water-based liquid colorants for fabric and home care applications.**

The Sanolin Lave Liquid range provides both – bright and brilliant shades combined with easy rinseability from skin, fabrics and surfaces. All colorants are especially recommended for the coloration of fabric and home care products. The colorants of the Sanolin Lave Liquid range are suitable for the coloration of products marked with well-recognized eco-labels such as the EU Ecolabel or the Nordic Swan.

- 
- Improved non-staining behavior on skin, textiles and surfaces
  - High tinting strength
  - Excellent transparency and brilliancy
  - Microbiological purity is specified and tightly controlled
  - Colorimetrically standardized in aqueous solutions
  - Easy handling, dosing and cleaning of equipment
-
